

Adobe Premiere V6.X to Pro Conversion – Course Profile

AIMS OF THE COURSE

- ▶ to explain the basic differences between Adobe Premiere V6.X and Pro
- ▶ to provide practical experience of the new program

PRE-REQUISITES

- ▶ a general working knowledge of Windows, including use of the mouse for selecting from menus, 'drag and drop', right clicking for context-sensitive menus and creating new folders using 'My Computer' or 'Explorer'.
- ▶ experience with Adobe Premiere V6 or V6.5 is essential

TEACHING STYLE

Students are guided through a series of lessons and practical exercises. Each lesson is targetted on specific learning points which are fully supported by a comprehensive Premiere Pro training manual.

Delivery of this half day course can be on a one-to-one basis in **London**, or even '**On-site**' using your own equipment.

SUPPORT AFTER THE COURSE

We hope that our comprehensive course manual will provide you with first class support after the course.

However, should you have a problem with any of the course content you have 'personal tutor support' for up to three months following the date of the course.

We pride ourselves on our friendly and efficient support and indeed we rely upon it to encourage students to come back for more advanced training.
